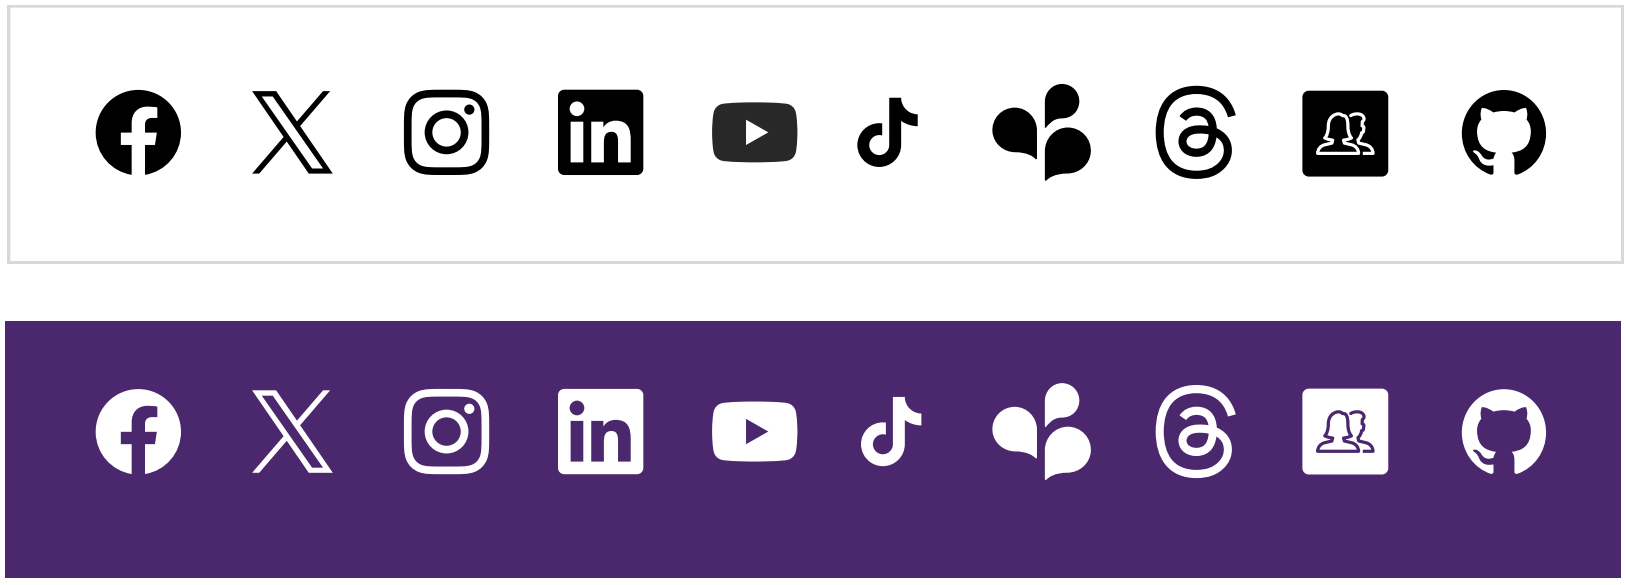
Variations

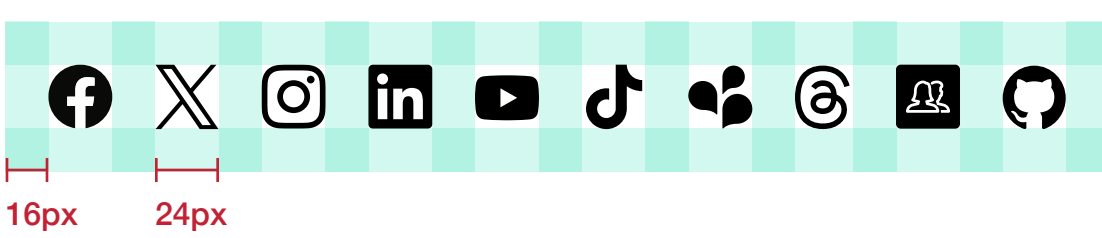


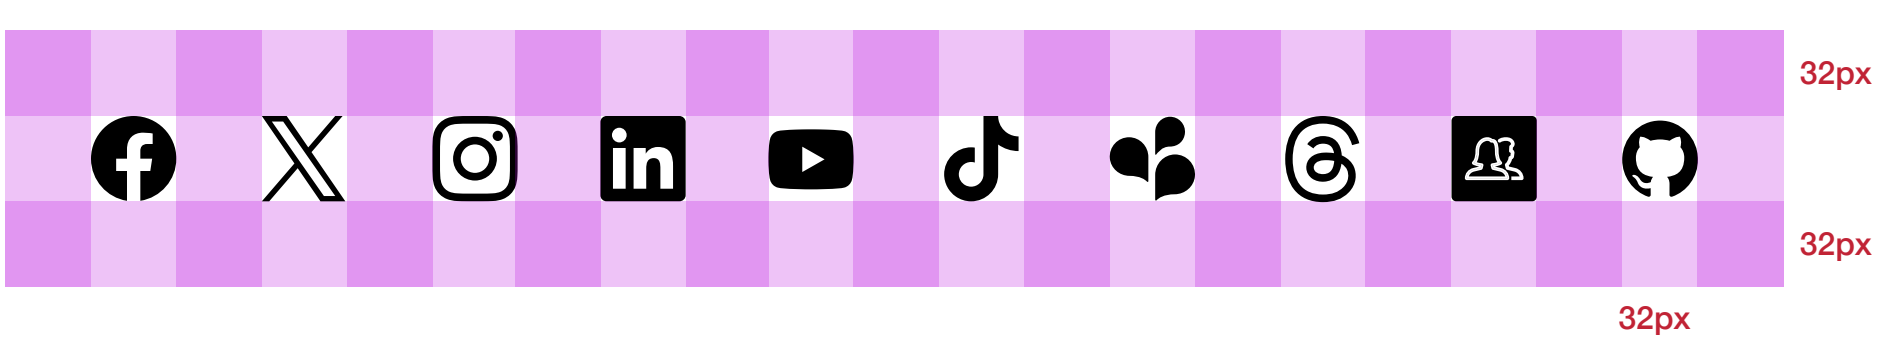
Sizing

Sizing for icons should be 24 x 24px for our standard global footer, besides Youtube which is 17x 24px (and vertically centered within the 24px height). Icons can be 32 x 32px in emails and other footers that are not the global footer.

GLOBAL FOOTER ICONS

EMAIL FOOTER ICONS

Spacing




Spacing between icons should be 16px with a clear space of 24px around the set.
